PORTFOLIO: [HTTPS://JAKKALSJR.GITHUB.IO](https://jakkalsjr.github.io)

PROFESSIONAL PROFILE

Post-graduate software development professional with practical experience in web content creation, technical support, networking assistance, and front-end content formatting. Skilled in creating product content, maintaining CMS data, optimizing SEO fields, editing product visuals, and supporting technical operations. Experienced in collaborating with developers, assisting customers, troubleshooting systems, and adapting quickly to new technologies. Seeking an opportunity where technical ability, creativity, and problem-solving can contribute to business growth and innovation.

TECHNICAL SKILLS

- HTML, CSS, Tailwind CSS
- JavaScript (basic working knowledge)
- C++, C#, PHP, SQL
- JSON structures and formatting
- SEO metadata and content optimization
- CMS content management
- Adobe Photoshop
- Microsoft Office (Word, Excel, PowerPoint, Access)
- Hardware troubleshooting and PC assembly
- Remote support and ticket handling
- Wireless network installation and site surveys

PROFESSIONAL EXPERIENCE

Evetech

Web Content Creator | 2025

- Created and maintained product overview pages for new product launches across multiple technology categories
- Updated existing product content to improve readability, structure, and customer engagement
- Optimized SEO fields, metadata, and product specifications for improved search visibility
- Worked with HTML and Tailwind CSS to structure and format web content accurately
- Used Photoshop to create product description images and improve visual presentation
- Collaborated with front-end and back-end developers to ensure content displayed correctly across devices
- Worked within a custom CMS to manage, publish, and update content efficiently
- Assisted with desktop PC assembly and software installation in internal lab environments

NW Internet Services (NWISP)

Wireless Network Field Technician | 2025

- Installed wireless internet hardware and configured client connectivity
- Conducted site surveys for new network installations
- Set up internal client networks and verified equipment performance
- Diagnosed hardware and software connectivity issues
- Provided remote support for network-related client problems

eXITe Computers & Designing

Front Desk Administrator / Trainee IT Technician | 2023 - 2025

- Managed front-desk operations and client technical intake
- Created service tickets for repairs, remote support, onsite visits, and installations
- Assisted clients telephonically, remotely, and in person across technical, sales, and administrative queries
- Supported quote preparation, supplier sourcing, and product recommendations
- Assisted customers in selecting suitable laptops, desktops, and related hardware
